

## Announcement of **Wangphrongphithayakhom School**

Subject: The good intentions in the administration of **Wangphrongphithayakhom School**

---

Wangphrongphithayakhom School emphasizes the administration with faith, virtual and transparency under the policy of Prime Minister General Prayuth Chan-ocha which was given on September 12th, 2014. According to the Civil Service Code 2552 ( 2009, The Nationality Strategy on Anti-Corruption, Phase 3 ( 2017 – 2021) and according to the Integrity and Transparency Assessment (ITA) Office of the National Anti-Corruption Commission and The Office of the Anti-Corruption Commission in the Government.

Wangphrongphithayakhom School places great important on management with integrity and transparency under the Prime Minister's Policy, Gen. Prayuth Chan-ocha. We study and develop an action plan for the prevention and suppression of corruption fiscal year 2020, covering transparency, liability readiness, fraud-free operation, moral culture in the organization and moral work in an agency. We believe that the society will trust on the good behavior performing of all civil servants and personnel in school.

I express my intention as an executive that Wangphrongphithayakhom School is ready to encourage all government officials and staff to perform their duties with integrity and transparency and we are ready to protect the government's benefits. We offer the fair and equality to the people.

I hereby confirm that Wangphrongphithayakhom School has the transparency and is ready to be checked. The mission of our school is "Providing education to international Standard based on Thai and develop the organization according to the faithful way by adopt sufficiency economy philosophy into practice" under the mission of Wangphrongphithayakhom School:

1. Develop students to have basic educational standards.
2. Develop students to have morality, ethics, desirable attributes, and live in a society happily based on sufficiency economy philosophy.
3. Promote teachers and personnel development and provide educational technology and innovation to manage education.

4. Support management system to be agile, fast, transparent and efficient.
5. Promote participation in education management from communities, public and private organizations.

I would like to express my intent to all government officials, teachers, and educational personnel that I will perform my administrative duties to prevent and suppress corruption in the public sector and aware of the existing responsibilities with full wisdom, integrity, honesty and consciousness and know what is wrong, what should be done and what should be spared so that our work is not damaged and people receive the most beneficial. Moreover, we do good deeds for charity to His Majesty King Bhumibol Adulyadej Mahitalathibesornramathibodi Chakri Naruebadindra Sayamintharathiraj Borommanatbophit and to substitute for the merit of the land.

On behalf of management and all of staff in Wangphrongphithayakhom School, we announce our intention to operate with honesty in accordance with the principles of transparency and accountability to reassure society that Wangphrongphithayakhom School has anti-corruption all forms and will adhere as a sustainable clean school. This will be done as follows:

1. Perform all legal procedures and encourage civil servants, teachers, and personnel to do their duties according to the law and regulations.
2. Aware of anti-corruption values, personal benefits and public benefits in order to make a moral conscience and prevent corruption internal balance in school effectively. This will enable personnel and the Basic Education Committee aware of the adverse effects so that the government and country will achieve a culture of anti-corruption.
3. Do not tolerate corruption and social sanctions that result in the personnel of Wangphrongphithayakhom School to be shame or fear of committing corruption.
4. Instill conscience in the students of Wangphongphittayakom School to realize the harmful effects and to resist corruption.
